COMPANY OVERVIEW

CML Contractors is a women-owned, veteran-owned small business offering a full range of Facility Maintenance, Janitorial Services, Commercial Cleaning, and Fire Protection Services to Federal, State, and Local agencies.

Founded by Cennita France, CML Contractors aims to address the demand for high-quality minority-owned service providers in the southern U.S. We are committed to maintaining the highest levels of professionalism and excellence in all our engagements.

STRATEGIC PARTNERSHIPS

CML Contractors is in a SBA-approved mentor-protégé agreement with Jordon Construction Company (JCC), a large HUBZone general contracting firm.

Innovative Technology

We utilize AI-driven solutions that revolutionize commercial cleaning and facility maintenance. Our AI systems provide real-time monitoring, predictive maintenance, and data-driven optimization, reducing human error and driving efficiency.

WHY CHOOSE CML CONTRACTORS?

- AI Technology Integration: Our AI-powered janitorial solutions offer enhanced cleaning precision, lower costs, and optimized resource allocation...
• 24/7/365 Emergency Response: We are always available to meet urgent needs with timely and professional service.
• Experienced and Qualified Team: Our team of field experts brings a wealth of experience to every project...
• Financial Stability and Compliance: We are insured, bonded, and financially stable...
